

## WHY CHOOSE US:

### SECTOR-SPECIFIC FOCUS:

Specializing in serving the pharmaceutical and FMCG industries, we bring an understanding of the unique challenges and requirements of these sectors, ensuring tailored solutions that align with your goals.

### PROVEN TRACK RECORD:

Our track record speaks volumes. With a history of successful projects and satisfied clients, we have earned a reputation for excellence and reliability in the industrial fabrication landscape.

### END-TO-END SOLUTIONS:

From conceptualization to installation and ongoing support, we offer comprehensive, end-to-end solutions, providing you with a seamless experience and peace of mind.

## PARTNER WITH US:

The relentless commitment to innovation, quality and client satisfaction, we stand as a beacon of excellence in the industrial landscape.

Let us be the driving force behind your success, delivering precision, quality, and innovation in every fabricated solution.

## ENGINEERING EXCELLENCE, FABRICATING SUCCESS

## ABOUT COMPANY:

A leading engineering and steel fabrication company dedicated to providing a highly diversified and comprehensive range of cutting-edge plant utilities, along with robust machinery and equipment solutions.

Our specialization lies in delivering tailored fabrication services that align with the distinct requirements of the Pharmaceutical and FMCG sectors. Our comprehensive services encompass meticulous design and precise manufacturing to seamless installation and ongoing maintenance.

## VISION:

Empowering Progress and Enabling Innovation in engineering and steel fabrication services. We aim to empower our clients with progressive technologies, fostering a culture of continuous innovation and operational excellence.

## MISSION:

To deliver unparalleled value to our clients by providing precision in Fabrication, efficiency in Plant-Utilities, reliability in Machinery.

We are dedicated to exceeding industry standards through sustainable practices, and a relentless pursuit of excellence. We aim to be the catalyst for our clients' success by contributing to their efficiency, productivity and growth.

## SERVICES:

### PHARMACEUTICAL MACHINERY AND EQUIPMENT

Oral Solid Dosage Equipment: Tablet Compression Machines, Encapsulation Machine.

Granulation Equipment: Double cone Blenders, Granulators, Mixers.

### STRUCTURE STEEL FABRICATION

Petrol Pump Canopies, Dairy Sheds.

### LABORATORY FURNITURE

QC Labs, Fume hoods, Countertops, Lockers, COBs, Cupboards, Gowning cabinets, storage racks and safety cabinets.

### PRESSURE VESSEL FABRICATION

Manufacturing and Storage Steam Jacketed tanks.

### CONVEYORS

Roller Conveyor, Plastic Chain Conveyor Belts.

### PLATFORMS

Liquid Manufacturing and Filling Area.

### TOOLING

Compression and Blister tooling.
